Annual Routine Vision Benefit for COVA Care and COVA HDHP

There have been questions regarding the new Annual Routine Vision Benefit for COVA Care and COVA HDHP. Here is a [link to the chart](#) on the DHRM website outlining the differences between the new benefit and vision coverage under the COVA Care Optional Vision Benefit as shown in *Spotlight*. An optional vision benefit is not available for COVA HDHP.

This is only an overview. More details will be available in the 2018 COVA Care and COVA HDHP Member Handbook amendments issued before July 1, 2018.
